4. **Routine Business/Approval of Agenda**

Member Colgan: I MOVE the School Board approve the Agenda for September 8, 2026, as presented.

All in Favor, AYE
Motion Carries

5. **Recognition by the Board**
2026 Golden Chile Award, Blossom Award Winner

The Golden Chile Awards celebrate NM Grown Buyers (early care centers, K-12 schools, senior centers) and Approved Suppliers (farmers, ranchers, food hubs) who help strengthen New Mexico's local food system through the NM Grown Program. Awardees will be recognized at the 2026 NM Grown Golden Chile Awards, a statewide awards ceremony, where attendees will enjoy a dinner featuring local food. Awardees will receive certificates recognizing their contributions to NM Grown.

The Board is proud to recognize Los Alamos Schools and Chartwells as a Blossom Award Winner for the 2026 Golden Chile Awards. Congratulations to Mr. Rex McCreary from Chartwells.

6. **a. LAHS Student Council Representatives**
b. Student Liaison Representatives
c. Superintendent's Report
Superintendent Guy reported that today was the Be Here Initiative Day in New Mexico. The goal was to have New Mexico schools' attendance over 90%. Los Alamos schools' attendance was terrific with 91.6% the lowest and 96% the highest attendance rate.

The week of September 14 is Homecoming Week. Schools will have an early dismissal on Friday so that students and families may attend the parade. The parade will go in the opposite direction this year. It will start at Immaculate Heart of Mary Catholic Church. Walkers will join the parade at the library and the parade will continue to the old Smith's grocery store. The primary reason for this switch is safety. We have had lightning delays in the past. This route will give us a safe place for students who are waiting for the parade.

d. Public Comment for items not on the agenda - None

7. **Routine Business/Consent Agenda items**
Fund and Function Report
Adjusting Entries Report
Budget Adjustment Report
Draft Minutes, August 27, 2026

Member Jaurigue: I MOVE the School Board approve the Consent Agenda for September 8, 2026, as presented.

All in Favor, AYE
Motion Carries

8. **Transportation Presentation on Bus Replacement**
Assistant Superintendent Johnson and Superintendent Guy discussed the replacement of two school buses. The board approved the replacement of the two school buses, funded by the state due to reaching end of life (10 years or approximately 150,000 miles). The district is also exploring the feasibility of electric buses, with a proposal possibly coming in October.

Vice President Coupland: I MOVE the School Board Approves the School Bus Replacement as presented.

All in Favor, AYE
Motion Carries

9. **Review and Approval of 2026 Legislative Resolutions**
Presented by Superintendent Guy

The board discussed and approved several legislative resolutions for submission to the New Mexico School Boards Association (NMSBA).

They approved a nepotism waiver which would allow statutory waivers/exceptions for critical staffing shortages, with specific language edits.

The board also approved two resolutions for State Equalization Guarantee (SEG) Modernization. The first resolution is for stable, inflation-adjusted annual funding. The second resolution would establish a permanent recurring funding stream for technology and school safety.

A proposed resolution on math and science funding was tabled for further development due to recent legislative changes.

A RESOLUTION PROPOSING AMENDMENTS TO NM STAT 22-5-6 TO ESTABLISH STATUTORY NEPOTISM WAIVERS AND EXCEPTIONS TO ADDRESS CRITICAL STAFFING SHORTAGES.

Member Jaurigue: I MOVE the School Board approve the resolution proposing amendments to NM State 22-5-6 to establish statutory nepotism waivers and exceptions to address critical staffing shortages as presented.
All in Favor, AYE
Motion Carries

A RESOLUTION FOR STATE EQUALIZATION GUARANTEE (SEG) MODERNIZATION TO SECURE STABLE INFLATION-ADJUSTED ANNUAL FUNDING.

Member Jaurigue: I MOVE the School Board approve the resolution for State Equalization Guarantee (SEG) Modernization to secure stable inflation-adjusted annual funding as presented.

All in Favor, AYE

10. **CTE Pathways Update**
Presented by Assistant Superintendent Payne

Assistant Superintendent Payne presented a comprehensive overview of CTE programs.

Los Alamos offers a wide range of CTE courses and Pathways (800+ students take at least one CTE course; 50 are currently recognized as pathway completers, with potential to identify more).

Priorities include increasing industry-recognized credentials, improving course selection materials, and better aligning programs with local workforce needs.

The district is working to better track and recognize students who complete full CTE pathways and is expanding partnerships with local colleges and organizations.

11. **Board Committees Update**
Secretary Colgan attended the NAPAC Welcome Back Dinner. There was a strong turnout with many new people attending.

There was an update to the LAHS and LAMS student liaisons. Board members chose the representative for each school. The first liaison lunches will be Thursday, Oct 8 (LAHS) and Friday, Oct 9 (LAMS). The liaisons will be at the Oct 13 meeting.

President Wyman will not be i nattendance at the October and November meetings; Vice-President Coupland will be conducting the board meetings. Secretary Colgan will represent the LAPS board at the LAPS Foundation board meetings while President Wyman is out.

13. **Adjournment**

Member Baker: I MOVE we adjourn this meeting.

All in Favor, AYE
Motion Carries

LOS ALAMOS PUBLIC SCHOOLS · PREVENTION PROGRAM

Building Strength Around Every Student

A layered approach to student wellbeing

School Board Presentation · October 13, 2026

Sylvia Diehl, Prevention Program

OUR APPROACH

Moving upstream, together

Prevention, not just response

Prevention is communal work we share as schools, families, and community. We focus upstream — building strength and connection before challenges take hold.

Strength-based

We surround students with protective factors—the relationships, skills, and supports that help young people thrive. Our communications are strength-based and focused on what helps students flourish.

Grounded in local need and evidence

Panorama and the New Mexico Youth Risk & Resiliency Survey (YRRS) help identify student needs in mental health and substance use. We respond with evidence-based and evidence-informed prevention strategies.

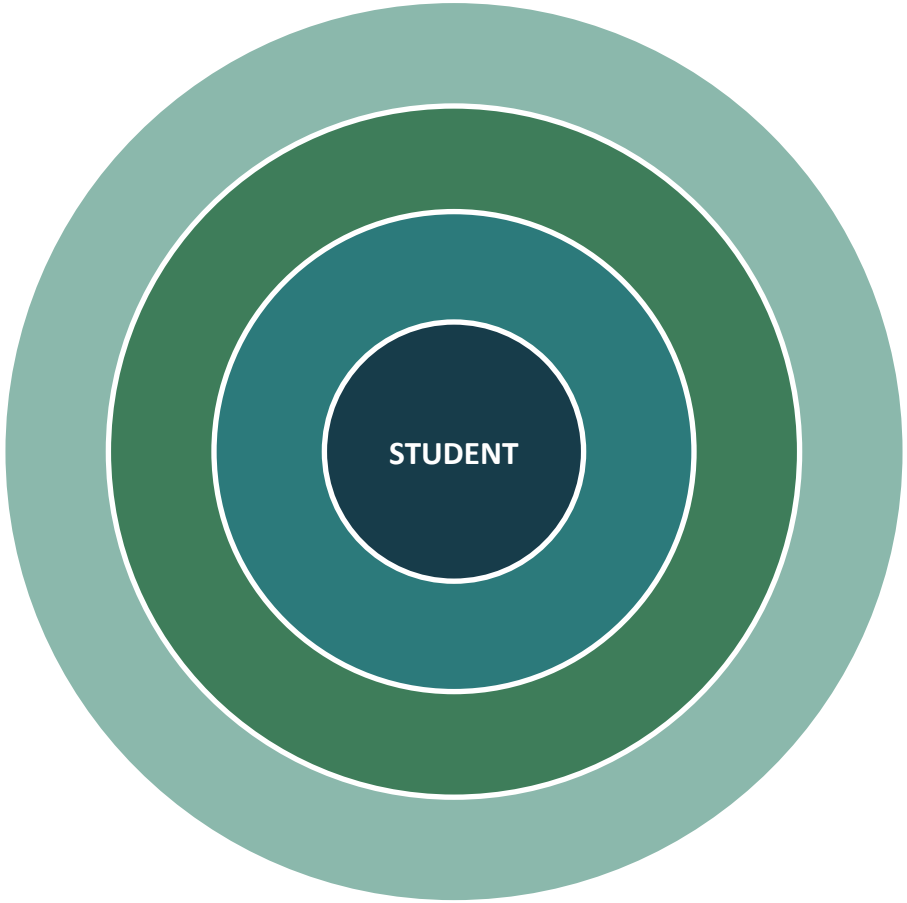

We focus upstream — building protective factors before a crisis happens

Image adapted from the Sources of Strength field guide concept

THE MODEL

Strength starts within — and grows outward

Student

We build protective factors and CASEL skills in every student to strengthen resilience and prevent challenges before they arise.

Parents & caregivers

The closest circle around a child — families informed, equipped, and connected to support and community.

Teachers & school adults

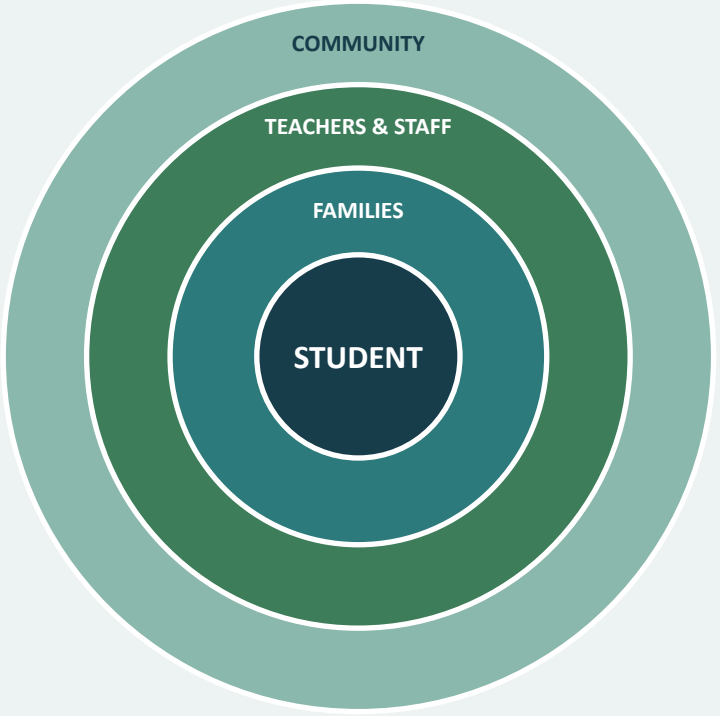

An adult who knows every student by name, has strong social-emotional and cultural skills, and builds meaningful connections can be a powerful protective factor.

Community

More trusted adults, partners, and resources that extend support beyond the school day.

At least one committed, caring adult relationship is linked to lower later depression and anxiety (Boricua Youth Study, 2023, Columbia University).

Focus areas of the prevention program does

Most programs are open to all students, building strength before challenges arise.

Student

- Second Step social-emotional learning & coping skills
- Puberty: The Wonder Years
- PAX Good Behavior Game
- Botvin LifeSkills in 9th grade Personal Financial Literacy
- Drug, alcohol & driving while intoxicated (DWI) awareness lessons

YOUTH-LED PREVENTION · STAFF SUPPORT

The Resilience Initiative

Two connected components, made possible by the Los Alamos Community Foundation.

Youth Peer Ambassador Program

Students design and lead campaigns on mental health and substance use.

6	8 wks	$550
students	train & act	stipend

Staff wellness training

Coming spring: extends the model to adults, giving staff tools to be well at work and at home, so the caring adults around students are strengthened too.

$19,250 provided through the Anchorum Community Health Fund, a donor-advised fund of the Los Alamos Community Foundation · **Held and administered by the LAPS Foundation.**

SUICIDE PREVENTION

Suicide prevention, reaching every student

Sources of Strength

A peer-led, strength-based model at the middle and high schools.

Signs of Suicide

Gatekeeper training that helps students recognize warning signs and seek help.

Staff gatekeeper training

Gatekeeper training for all adults around students.

A clear pathway to support

Any adult with a concern routes it to a counselor — our trusted first point of contact — who connects students and families to the right next step.

Safety checks run beneath every layer: "see something, say something."

SOURCES OF STRENGTH

The Wheel of Strength

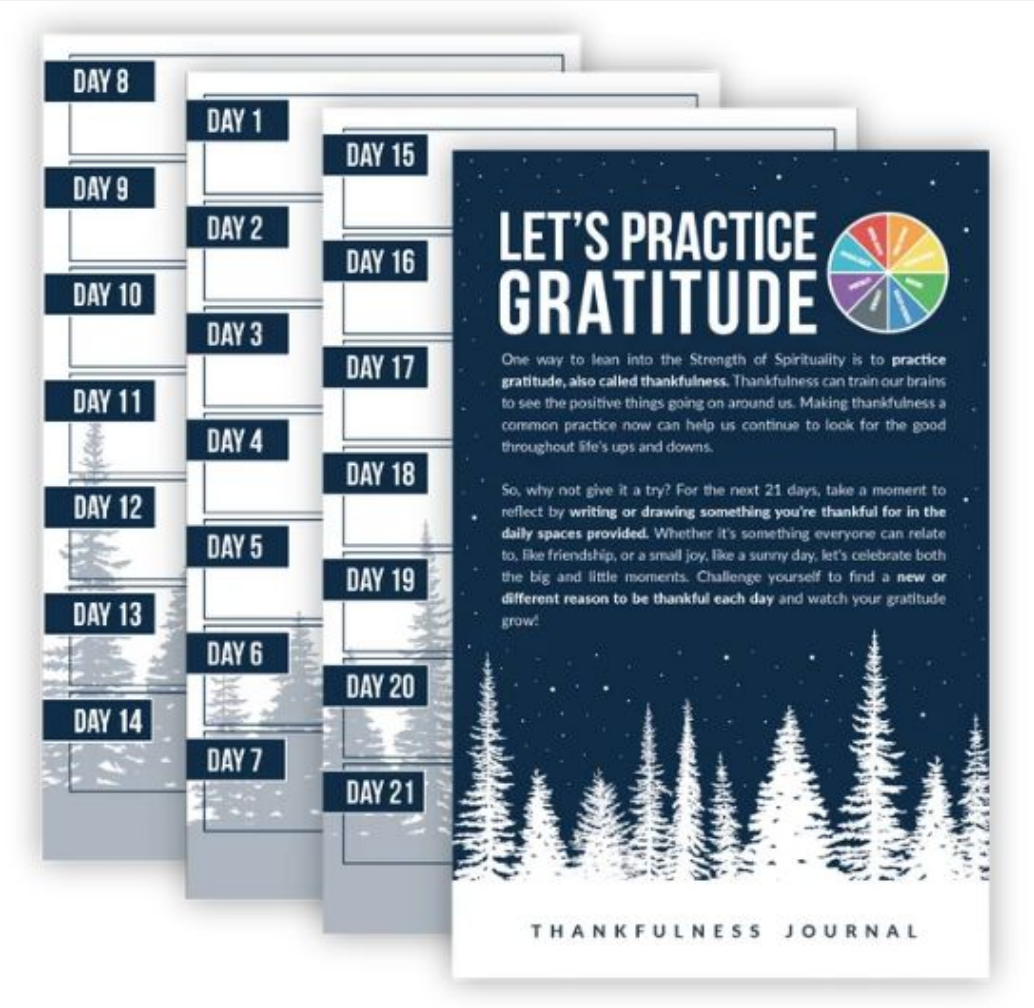

Eight protective factors

- Sources of Strength builds on eight protective factors: Family Support, Positive Friends, Mentors, Healthy Activities, Generosity, Spirituality, Physical Health, and Mental Health.
- Sources of Strength is a nationally recognized, evidence-based program that helps students build the supports they need to get through hard times.
- Trained student Peer Leaders from different social groups at school partner with caring adult advisors to share messages of hope, help, and strength.
- Peer Leaders aren't counselors. They show friends it's okay to ask for help and connect them with trusted adults.

Peer Leaders run campaigns throughout the year.

SUBSTANCE USE PREVENTION

Botvin LifeSkills Training

Evidence-based: A Blueprints for Healthy Youth Development "Model Plus" program — the highest tier, met by fewer than 5% of reviewed programs — backed by 40+ years of research and recognized by the Substance Abuse and Mental Health Services Administration (SAMHSA).

Self-management skills

Decision-making, coping with stress and anxiety, and self-control.

Social skills

Communication, refusal skills, and building healthy relationships.

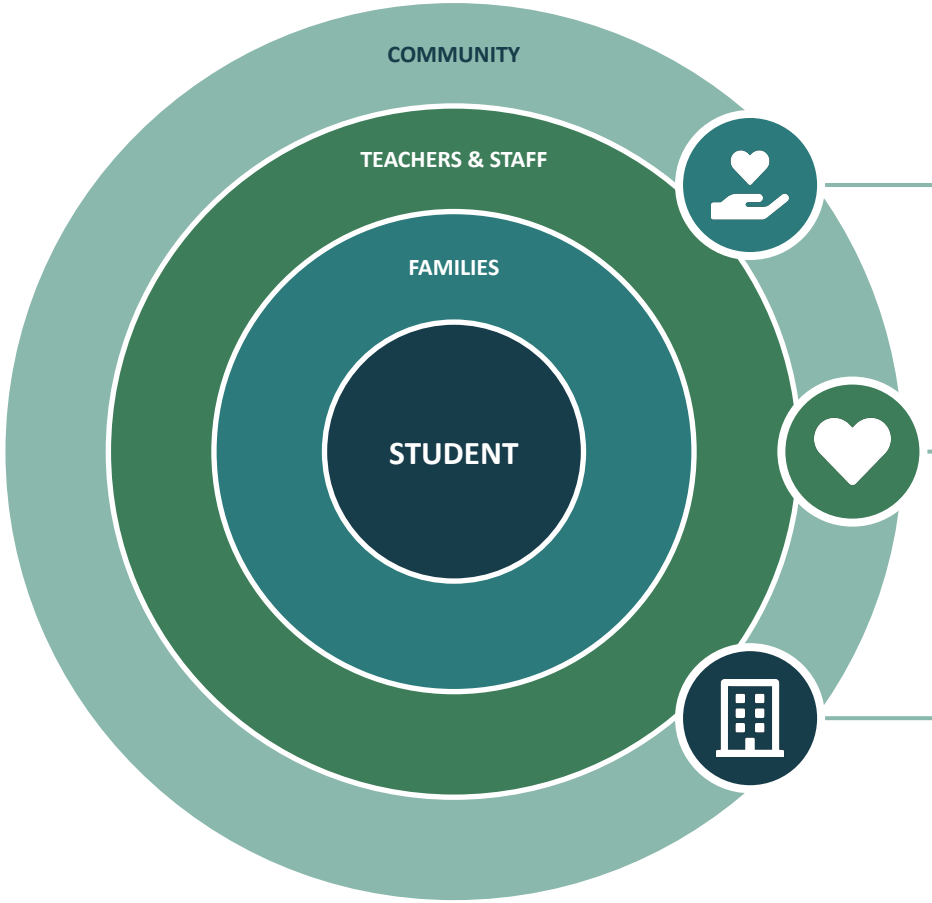

Drug-resistance skills

Recognizing pressure and resisting influences to use substances.

Reinforced across settings: Botvin LifeSkills taught in 9th grade Personal Financial Literacy, drug awareness in health, and DWI / alcohol awareness in driver's ed.
Botvin LifeSkills levels available for elementary, middle & high school — potential to expand to middle and upper elementary grades.

WITH THANKS

Sustained by our community

JJAB

Funding and partnership for student support — Sources of Strength, programming, referrals, and family outreach.

Botvin LifeSkills Training (LST)

Evidence-based prevention for healthy and drug-free youth

Botvin LifeSkills Training (LST) is an evidence-based series of programs designed to provide elementary, middle, and high school students with the knowledge and skills needed to lead happy, healthy, and drug-free lives.

LST teaches health information about the harmful effects of tobacco, alcohol and illicit drug use. It also teaches students the skills needed to build confidence, make pro-health choices, resist peer pressure, and develop resilience. LST has been extensively tested and proven effective. Overall, LST focuses on three major areas: Personal Self-Management Skills, Social & Communication Skills, and Drug Resistance Skills.

About the Developer:

LifeSkills Training (LST) was developed by Dr. Gilbert J. Botvin, a renowned expert on prevention and health behavior. Dr. Botvin is currently a Professor Emeritus of Psychology in Public Health at Cornell University's Weill Medical College. Dr. Botvin is widely acknowledged to be one of the leading experts in the world on tobacco, alcohol, and drug abuse prevention. He has more than 260 scientific papers and book chapters to his credit and has presented at over 300 national and international conferences.

Botvin LifeSkills®Training

Evidence-Based Prevention Programs for Schools, Families, and Communities

Personal Self-Management Skills

Students learn critical skills related to reducing their susceptibility to substance use or other health risk behaviors. They learn skills such as goal-setting, decision-making, healthy ways to cope with stress and more.

Social & Communication Skills

Students learn skills to help them navigate interactions in social settings and communicate effectively when interacting with their peers and others. They learn skills such as communicating effectively, verbal and non-verbal communication, how to start, continue, and end a conversation.

Drug Resistance Skills

Students learn the information and skills needed to recognize and resist peer pressure and media influences that promote substance use and other unhealthy behaviors. Included are skills for identifying persuasive advertising tactics and media messages; refusal skills to resist peer pressure

Botvin LST is a tested and proven effective prevention approach that has been selected for the highest honors by more government agencies and health organizations than any other prevention program. Due to the large body of scientific evidence supporting it, LST is widely regarded as the top evidence-based based prevention program available. 9. **Amendment to Lease Agreement**
Presented by Ms. Johnson, Coordinator of Leased Facilities and Assistant Superintendent Johnson

AMENDMENT TO LEASE

This Amendment to Lease Agreement ("Amendment") is made by and between the Los Alamos Public Schools Board of Education (hereinafter referred to as "LAPS" or "Lessor") and Los Alamos Community Ceramics, a New Mexico nonprofit corporation (hereinafter referred to as "LACC" or "Lessee"), this 1st day of November, 2026.

RECITALS

WHEREAS, Lessor and Lessee are parties to that certain Lease Agreement dated June 20, 2016 (hereinafter referred to as "Lease Agreement") for lease of a small office containing approximately 900 square feet, in total, in the building located at 2101 Trinity Drive, Los Alamos, New Mexico, 87544 commonly known as Suite Q1, together with shared use of the parking lot located on the Property (hereinafter referred to as the "Original Leased Premises"); and

WHEREAS, the adjoining space to the Original Leased Premises; a small office containing approximately 1339 square feet, in total, in the building located at 2101 Trinity Drive, Los Alamos, New Mexico, 87544 commonly known as Suite Q2, will be vacated by the current tenant on October 31st, 2026; and

WHEREAS, Lessor owns the Property at 2101 Trinity Drive, Los Alamos, New Mexico, 87544 commonly known as Suite Q2 (hereinafter referred to as "Additional Leased Premises"); and

WHEREAS, Lessee desires to lease the Additional Leased Premises to expand their business footprint effective November 1, 2026; and

WHEREAS, the Parties desire to amend the Lease Agreement to reflect such desire.

NOW, THEREFORE, for good and valuable consideration. The receipt and sufficiency of which is hereby acknowledged, Lessor and Lessee agree as follows:

For this Amendment, Recital B of the Lease Agreement shall be amended to:

"B. WHEREAS, the real property includes approximately (2,239) square feet of interior office space located at 2101 Trinity Drive, Suite (Q), Los Alamos, New Mexico, 87544 (hereinafter referred to as the "Leased Premises") with shared use of the parking lot located on the Property; and

For this Amendment, Article 3 LEASED PREMISES shall be amended to:

"3. Lessor does hereby lease to the Lessee the following described premises located in the County of Los Alamos, State of New Mexico:

A portion of Lot B of the Corrected Subdivision of Tract RR, Eastern Area 3, Los Alamos County, New Mexico. The Property consists of approximately 1.837 acres and is located at 2101 Trinity Drive, Los Alamos County, New Mexico, 87544. The Leased Premises consists of approximately 2,239 square feet of interior space commonly known as "Suite Q" of the administrative complex site of school owned property, together with shared use of the parking lot located on the Property.

For this Amendment, Article 6 a. Rent shall be amended to:

"6. a. Commencing on the Effective Date, and for the first year of the Lease Term, the "Annual Base Rent" shall be $35,376.20, payable in equal monthly installments of $2,948.02. 10. **Second Read of Draft Policy 5129 on Grading**
Presented by Assistant Superintendent Payne

~~Los Alamos Public School District is required to establish a written policy for any written changes to a student's grade under NMAC 6.30.10.¶~~
~~¶~~
~~Student transcripts are permanent records and shall be processed and archived by the high school Registrar. NMAC 1.21.2.189¶~~
~~¶~~
~~The Superintendent will establish regulations to implement this policy in accordance with any state and federal law and regulations.~~

PURPOSE

The Board of Education establishes this policy to define the District's philosophy and guiding principles for grading and reporting student achievement. Consistent with the District vision and strategic plan, grades shall serve students, families, and educators as an honest and meaningful communication of learning.

PHILOSOPHY OF GRADING

The Board believes that a grade should communicate, as accurately as possible, what a student knows and is able to do relative to grade-level standards and course expectations. A student's academic grade shall reflect demonstrated content knowledge and skills. Schools should support continued learning by preserving meaningful opportunities for students to demonstrate growth and mastery over time. The Board affirms the professional judgment of teachers.~~, who know their content, their standards, and their students best, and asks that this judgment be exercised in service of accuracy, fairness, and student growth.~~ The teacher of each course shall determine the student's grade. The grade assigned by the teacher shall not be changed by the Board or the Superintendent except as provided by law, Board policy and administrative regulation.

GUIDING PRINCIPLES

Grading and reporting practices throughout the District shall be guided by the following principles:

1. **Accuracy and meaning.** A grade should be a valid reflection of a student's learning. Grading practices should be designed so that grades communicate student achievement and mastery as clearly and accurately as possible.~~Practices that distort the academic meaning of a grade—inflating it or deflating it for reasons unrelated to demonstrated learning—should be avoided.~~
2. **Transparency.** Students and families should understand how grades are determined and should receive timely, clear information about academic progress so that they can act on it. Student e~~E~~xpectations should be communicated at the start of a course or grading period.
3. **Consistency and professional judgment.** Students enrolled in the same course shall be evaluated in relation to common academic standards and course expectations. Educators are encouraged to collaborate to promote consistency while retaining appropriate professional judgment in instructional and assessment practices.~~Consistency within a course or standard. Collaboration among educators helps a given grade carry comparable meaning from one classroom to the next. Students enrolled in the same course should be assessed against the same standards and expectations, regardless of section or teacher.~~
4. **Equity and fairness.** Grading practices should provide students with fair and meaningful opportunities to demonstrate learning. Academic grades should primarily reflect achievement, course standards and learning expectations.~~A grade should reflect a student's academic performance and demonstrated learning, rather than circumstances unrelated to learning. Students shall not receive grade penalties or rewards, such as extra credit, for non-academic compliance like bringing supplies. Every student shall have a fair and meaningful opportunity to demo nstrate learning.~~

APPLICATION ACROSS PK-12

These principles apply uniformly across the District and are implemented in developmentally appropriate ways at each level. The form that grading and reporting take—for example, standards-based reporting in the elementary grades and letter or percentage grades in the secondary grades—may differ, but the underlying commitments to accuracy, transparency, consistency, equity, and support for learning remain constant from Pre-Kindergarten through Grade 12.

TRANSCRIPTS

Student transcripts are permanent records and shall be processed and archived by the high school Registrar.

DELEGATION TO THE SUPERINTENDENT

The Board directs the Superintendent, or designee, to develop, maintain, and communicate administrative regulations and school-level procedures that put this policy into practice, including the development of specific grading scales.

How We Plan to Get There

Math — Root Causes & Actions

PRIMARY CHALLENGES

Number Sense & Conceptual Modeling

Development of number sense, understanding of base 10, application of math vocabulary and conceptual modeling

Curriculum & Interventions

Adoption of new math curriculum (Jump Math) and interventions (Spring Math)

High-Leverage Strategies

Applying High Leverage Math Strategies (Vocabulary, Representations, Modeling & Practice, Fluency, Word Problem Solving)

ACTIONS TO ADDRESS CHALLENGES

Coaching & Admin Support

Math coaching and administrator support with implementation of Jump Math, Spring Math and High-Leverage Math Strategies

Skill Fluency & Memory

Focus on developing fluent skills in order to support long-term memory of and application of learned skills

PLC (Professional Learning Community) Planning

Use of PLCs to horizontally and vertically plan and support use of evidence-based practices to address whole class and individual learning needs

Progress Toward Goals

District Strategic Plan Milestone 1: 100% of LAPS teachers will teach grade-level standards with fidelity.

- Spring Math: **14.1% of K-6 skills mastered (as of 9/18)**
- Jump Math: **Focused on adherence, delivery, concrete modeling, and peer support**
- Coaching: **Targeted strategies, modeling, and resources to increase engagement**

District Strategic Plan Milestone 2: 100% of teachers will provide daily opportunities for active engagement.

- Structures & Feedback: **Consistent opportunities for students to learn math through speaking, writing, and doing.**

District Strategic Plan Milestone 3: 100% of schools will build systems, structures, and schedules to support active learning.

- Daily Instruction: **Scheduled 75 minutes of daily math built into master schedule (K-6).**
- Targeted Support: **Allocated PLC, SST, and daily WIN time for individual needs.**

Thank you for your support!

Strategic Plan: Academic Excellence

100% of LAPS students will meet or exceed grade level expectations in Early Literacy, Language Arts, Math, Science, and Graduation Rates.

#1 Curriculum Implementation

- District Adopted Instructional Materials
- K-12 Literacy Program
- K-12 Math Program
- Professional Development tied to implementation

#2 Instructional Practices

- Research-Validated Practices
- Instructional Hierarchy: Stages of Learning
- Explicit Instruction
- Opportunities to Respond
- Literacy: LETRS (K-5)
  AIM Pathways (6-12)
  Math: KMP (PreK-12)

#3 Structural Supports

- *15-Day Challenge- Simplifying and Energize Your PLC at Work Process*
- PLC Training and Coaching
- District-wide Common PLC Schedule

Assessments Used

Assessment	Subjects	Grades
Amira ISIP	Math & Literacy	K–2
NM-MSSA	Math & Literacy	3–8
SAT School Day	Math & Literacy	11
NM-ASR	Science	5, 8, 11
Dynamic Learning Maps (DLM)	Math, Literacy & Science	3-8 & 11

DLM is administered in lieu of NM-MSSA, SAT, and NM-ASR to students with the most significant cognitive disabilities.

DESIGNATIONS

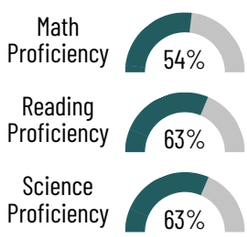

Spotlight: Highest recognition; schools among the top 25% of schools
Traditional: Good standing; not in designation
Targeted Support and Improvement School (TSI): Schools with consistently underperforming student groups
Additional Targeted Support and Improvement School (ATSI): Schools in need of support with one or more of the lowest performing groups of students
Comprehensive Support and Improvement School (CSI): Schools scoring in the bottom 5% of Title I schools overall or that have a graduation rate below 67%
More Rigorous Interventions (MRI): Schools not exiting CSI Status after 3 years receiving support

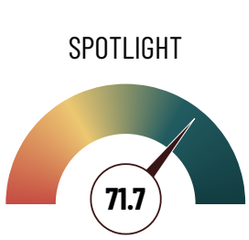

NOTES

Masked: Data not available due to masking
N/A: Data not applicable to this school or is otherwise unavailable
***Graduation Growth:** Because students graduate throughout the summer, graduation data is one year lagged. This figure represents the graduating class of 2025.
****Math/Reading Growth:** A student's peers for growth are others in their grade who had the same score on a previous year's test. The median growth of a school or district is the growth of the middle student of that school or district. A student at the 50th percentile of growth has typical growth for their peer group, while a student at the 70th percentile has more than typical growth for their peer group.
*****College and Career Readiness (CCR):** This includes students who, for example, took a Dual Credit course or an Advanced Placement test.
